**Principal’s Message**

The end of year is approaching very quickly, with lots of things filling our calendars. It would be great if as many people as possible could attend the P&C meeting next Tuesday to help organise and discuss events that are coming up.

The school has just purchased an extra 6 iPads for use in the classroom. This equates to 1 iPad per student next year which is incredible. Along with these, a new charge and sync cabinet was purchased to help better manage the iPads and their system requirements. iPads already play an important part in our classroom programs, so with the additional 6 there will be some exciting opportunities for students in the future.

I have a pile of awards for students sitting on my desk, so we will hold an assembly next Friday at 2:30pm to hand all these out before the end of year.

**Canteen**

Canteen this week will be a chicken burger meal deal. Please include payment of $3.50 with your order. Students will also receive a drink and an ice-block.

**P&C Meeting**

The next meeting will be Tuesday, 1st December at 2pm. Details about Presentation Night will be discussed so come along to see how you can help out.

**Christmas Carols**

Everyone in the Breadalbane and district community is invited to attend the annual Christmas Carols at the church and gathering at the hall on Sunday 13th December from 5pm. Please bring a plate to share following the carols. Further information from Sally Hoskins on 48480049.

**LOST!**

Has anyone seen or accidentally picked up a pink Tupperware lunchbox?? Could we please have a look at home?
