Breadalbane Public School

Principals Message

On Tuesday at the P&C meeting, I informed parents of our new behaviour system that has been implemented. A number of factors have prompted this change and I believe it is very important parents are aware of the new system. For those parents that were not able to make the meeting I am willing to make a time that is suitable to take you through our new system. It doesn’t take long; only a quick 5 minute chat before or after school.

Following on from our new behaviour plan, I need to stress the importance of morning and afternoon routines. Supervision is not available at school until 8:30am. Students who arrive at this time need to remain seated on the black chairs in front of the administration building until a teacher comes out on duty and tells the children they can play. In the afternoon, students are required to sit in the shade until collected by parents. If you know you are going to be late or are running late to pick up your children, it is asked you let the school know with a phone call. This is all done in the interests of student welfare and safety.

Athletics Carnival

The Goulburn Community of Small Schools athletics carnival is coming up on Friday 13 March. The Tirranna PS P&C will run the lunch BBQ on the day. Please complete the attached order form and return to school by Monday morning so that numbers can be sent to them for catering.
Home Reading
Home readers are to be returned on Mondays, Wednesdays and Fridays. This gives your child greater practice with familiar texts. Please encourage students to read and return their home readers. This is such valuable practice and really assists the students’ developing reading skills.

GCOPS Choir
The first session for the 2015 GCOPS Choir Rehearsals took place yesterday. Mrs Bentley will be conducting rehearsals each Tuesday afternoon leading up to the concert in Term 3.

The whole school will also be performing a hip hop dance to “Uptown Funk” by Mark Ronson and Bruno Mars on the night. Choreography will be finalised in the next few weeks and then rehearsals will begin. The students are very excited.
