Principals Message

We have had a very busy and exciting week this week. Our chicks have hatched and they have been a welcome but quite noisy addition to the classroom. Also, our visit to Goulburn East to see the Questacon circus was great.

Our calendar over the next 3 weeks is very busy so I would like to take this time to remind parents to sign and return permission notes ASAP. It can be quite difficult having to chase notes the morning of an excursion or event and we would hate for students to have to miss out on these great opportunities. Any money that is required for an activity is also appreciated ASAP so we don’t have to chase people to pay outstanding accounts. If you are having difficulty paying for something, please come and see me and we can sort something out.

Questacon at Goulburn East

Yesterday we visited Goulburn East to see the Shell Questacon Science Circus. It was a great day with everyone not only enjoying the action packed show but also spending time in classrooms making new friends. A big thankyou to parents for taking children, and an extra special thankyou to Mrs Evans for helping transport students into town.

The Questacon circus will be at the Veolia Arena in Goulburn from 11-3 on Sunday with entry being free. A flyer is attached.
Athletics Carnival
The Goulburn Community of Small Schools athletics carnival is coming up on Friday 13 March. Students are to make their own way to the carnival and need to be at Hudson Park by 9:15 for a 9:30 starts. Students will need to be collected at the end of the day at approximately 2pm.

Milo Cricket T20 Blast
Next Friday 20 March, students will be attending a Milo cricket gala day at Carr Confoy in Goulburn. Collector PS will be running a BBQ on the day. Please fill out the attached permission note and order form and return to the office by Tuesday 17 March.

Home Reading
Home readers are to be returned on Mondays, Wednesdays and Fridays. This gives your child greater practice with familiar texts. Please encourage students to read and return their home readers. This is such valuable practice and really assists the students' developing reading skills.
