I am extremely excited to announce that Breadalbane Public School are the proud winners of the 2016 aggregate points award for our TREC swimming carnival. I have attached a copy of the point results for you to see. District swimmers will be announced shortly.

We have had another fantastic week of learning in the classroom as we explore whole numbers, nouns and Australia. Students also began a Science unit of work on Living things and Life Cycles with Mrs Ball. Tennis lessons started this Tuesday and I was amazed at the skill demonstrated by all students, lessons will continue every Tuesday for this term. Please join us next Friday the 19th at 9:00am for a special assembly to present swimming ribbons and school leader badges. It would be wonderful if the families of our Year 6 students could attend to present their child with their badges during the assembly.

Kind regards,
Kristy Grant.

Principal’s Message

P&C Meeting

The minutes from our first meeting for the year are attached. Our next meeting will be on Tuesday, 15th March at 2pm and this will include the Annual General Meeting.

Canteen

Monday’s canteen will be Pizza. Please return the order form and payment to school on Monday.
School Dental Program
The team from the Goulburn Health Service will be here on Monday 15th February to carry out the annual dental check for students. Permission notes are attached and they need to be completed and returned by Monday morning.
The Dentist would also like to run a brushing instruction lesson and all students are welcome to participate. Please have each child bring in their brush on Monday morning, toothpaste will be provided.

Playgroup
A big thank you for all who attended our first playgroup this week, it was so nice to see smiling tiny totts running around our playground. Our next playgroup session will be on Monday the 22nd February at 9:00am. Please note the time change from last week. All welcome.

Fridays
Students are looking forward to our first visit to Goulburn Public School for the music and special interest programs. Please provide recess and lunch and a drink for the day. If you would like your child to have a lunch order on the day, please send in a paper lunch bag or envelop with your child’s order and money enclosed. A big thank you to Tanya and Amanda for their help with transport to and from GPS.

From Our Students
This week we enjoyed seeing all of the little kids here for playgroup. When they left we got to have canteen, it was Tacos, it was delicious. We have had a great week playing Oz tag at recess and lunch- Ava and Hayley.

This year started off with our new teacher Mrs Grant, who somehow makes everything fun- Kate.
