Principal’s Message
This week we send GET WELL messages to Kate following her terrible accident on the weekend that has left her with a broken collar bone. We look forward to her being able to return to school when she can.

Well done to Michael, Christopher and Sara on their terrific efforts at the District Swimming Carnival.

Please note there will be NO canteen next Monday the 29th due to Mrs Apps being away with the year 6 students for Young Leaders Day.

This week, while I’ve been away, students have received their first correspondence from students from the Tablelands Regional Educational Community (TREC) schools as they begin to collaborate on a joint project for our harmony day celebrations.

Our focus for Mathematics this week was subtraction, if you would like to see how trading in subtraction is being taught in the classroom please don’t hesitate to contact me for a meeting.

As a very busy week of conferences and training continues for me on Monday and Tuesday next week, Mrs Bentley will be here, continuing the wonderful teaching and learning students have been participating in.

Kind regards,
Kristy Grant.
Playgroup
Our next playgroup session will be on Monday the 7th March at 9:00am. All welcome.

Young Leaders Conference in Sydney
Our Year 6 students will be attending the National Young Leaders Conference in Sydney on Monday 29th February. The event has moved back to Allphones Arena at Sydney Olympic Park. The students will travel with Collector staff and students. Mrs Apps will accompany the students and the Teacher in charge will be Mrs Dews, the Principal at Collector. Mrs Staples will be driving the bus. It will be a very early start – departure will be from Collector at 6am and they should be back by approx. 5pm.

Canteen
No canteen next week the 29th of February.

P&C Meeting
Next meeting will be on Tuesday, 15th March at 2pm and this will include the Annual General Meeting. Our first Bike Ride catering will be Sunday 3rd April.
